

UNCLASSIFIED

Insert on page 2, sixth line from the bottom, after
"--frame-work of the Council."

National Intelligence Estimates regularly provide Council members with agreed forecasts of the policies and capabilities of foreign countries. In addition, the Central Intelligence Agency prepares for the members of the Council a daily intelligence summary. The Director of Central Intelligence presents at every Council meeting an analysis of current intelligence, on the basis of which policy recommendations are often formulated.

UNCLASSIFIED

MEMORANDUM FOR: THE DIRECTOR

WER

For information only.

Attached are suggested replies by Bureau of the Budget to the questions raised by the Jackson Subcommittee Report No. 1026 which is also attached. Ralph Reid had sent this over as a matter of courtesy although it is still draft at this point.
